• If maturity instructions are not provided for Term Deposits, HSBC may renew the Term Deposit (that is, principal and any interest that has not already been paid) for the same or similar term and amount at the interest rate and on the terms and conditions applying at that time to Term Deposits.

• Once an investment is made its terms cannot generally be altered, and you cannot make withdrawals or process payments from a Term Deposit except on maturity with our consent. A break cost administration fee and reduced interest rate will be payable if you wish to terminate or withdraw your Term Deposit before its maturity date, or alter the terms of the investment. If we, in our sole discretion, allow you to terminate or withdraw your Term Deposit before its maturity date, then we may :

- charge you a break cost administration fee of \$50;
- reduce the interest rate payable on your Term Deposit by 50%; and
- recover from you any interest that was paid on your Term Deposit at the higher original rate until the date of withdrawal or alteration.

Any tax or approved issuer levy that has already been paid on interest earned in prior income tax years (ending 31 March) cannot be refunded to you by HSBC. Any tax refund applicable must be claimed from the Inland Revenue directly. The approved issuer levy is not refundable.
